Mr. Cum Posey,
324 - 13th Ave.,
Homestead, Pa.

Dear Sir:

I have just received a check from Mr. Gottlieb on account of booking fees due the League.

In the accompanying statement he gives the Homestead Grays credits for booking fees paid to the total amount of \$459.45. Your letter to me gave the total as \$581.44, kindly let me know which statement is correct. Please rush this information to me.

In your letter of Sept. 15th you spoke of several things that should be taken up at a Meeting. I thoroughly agree with you, but think Tom decided not to call a Meeting until January.

Please also answer my letter of Sept. 25th.

Yours truly,
